Working Together to Attract New Voices

- ❖ **Zonta's voice becomes stronger when we recruit great individuals** to work with us to further the mission and vision of Zonta.
- ❖ While the world is hurting from COVID-19, **the needs of women and girls have increased** and **the strides we have made for equality and opportunity are taking a step back** in many places.

Zontians are needed more than ever, and we should not be shy about asking individuals to join our community and speak out for our causes.

Bingo Baker website generated a call list that looked like this:

Let Us Learn Madagascar			Ending Child Marriage			Gayle Borchert	1925	Expanding Access to Education	

However.... we were asking questions to play our game. Bingo Baker now has the option to generate a call list based on questions but we had to create our own list.

Since we were asking questions, each square on our cards contained an “answer”. Our cards had 8 possible “answers” in each column. So we created a grid sheet listing out the eight possible answers for each column. We also included “Fun Facts” so that newer members could learn more about Zonta and our club. This is a portion of what it looked like:

Title

We cut up the call letters into strips and placed in a box from which we pulled from when we played the game.

This made it easy to keep call letters and corresponding questions, answers and fun facts organized and allowed the game to run smoothly.

A bit of work.... but well worth it!

Z	<p>What's Zonta's flower?</p> <p>Fun Fact: Zonta adopted the yellow rose in 1919 to symbolize the combined qualities of honesty and trust, inspiration and the ability to work together for service and world understanding.</p>	
Z	<p>Our club is in what Zonta district?</p> <p>Fun Fact: Zonta international is divided up into 31 districts and 1 region worldwide. District 7 includes clubs in North and South Dakota, Minnesota, Kansas, Missouri and the USA-1 e-club.</p>	7
Z	<p>How do we raise money for funding the WAC Scholarships?</p> <p>Fun Fact: We generally raise between \$4-6,000 toward WAC Scholarship funding monthly.</p>	
Z	<p>The Zonta Says NO to Violence Against Women and the Global Program to End Child Marriage both fall under what Zontian cause?</p> <p>Sad Fact: 38% of murders of women are committed by an intimate partner.</p>	Ending Gender Based Violence
Z	<p>Who is Zonta's Founder?</p> <p>Fun Fact: Quota Clubs for women were very popular in in the early 1900's. These clubs were based on a classification system and open to women holding executive positions. Marian noted that the Quota Clubs rapid growth was based on "quantity" rather than the "quality" of members. Marian felt that the quality of member was most important. The officers and board of the Buffalo Quota Club agreed with Marian and a new club was born with Marian as club president. Several other Quota Clubs joined in and Zonta was born November 8, 1919.</p>	Marian de Forest
Z	<p>What is the hope and goal of every WAC Student?</p> <p>Fun Fact: We usually sponsor 4-7 students at a time.</p>
