DISTINGUISHED GUESTS

INA WASSERLING

International Director 2020-2022
Zonta International / Zonta Foundation for Women

Dear Zontians in District 7,

It is a great honor for me having been appointed as your Board Liaison for this Biennium, through this I have gained a deeper insight into your commitment to Zonta. Whether it is in talks with Governor Gayle, your excellent performance in fundraising for the Zonta Foundation under the lead of Foundation Ambassador Shelley, or in joining your joint Area Meeting and participating in the vivid exchange of practices and ideas - all this is very much appreciated!

It is very unfortunate that due to the ongoing difficulties under pandemic conditions that I will not be able to join your conference in person. Presumably Treasurer/Secretary Mari McKenzie will be the international representative at your conference and answer your questions to the International Board.

“Honoring the past, shaping the future” - what a great title for your District Conference! Zonta’s ongoing approach to shape the future for women and girls worldwide is to make a difference in their lives and it is the greatest honor we could give back to the early Zontians. They (early Zontians) had to start in an environment which was nearly totally focused on male influence and male dominated opportunities, Today we have a much broader range of female participation in many fields and that was the achievement of the Zontians. We still have not reached the point of equality and respect for women is not always granted but we are making strides towards that goal.

Together in our worldwide network we can reach a lot, together in joint efforts we get much further than the individual can which is why we have our clubs and it is the reason why we unite cross borders. This is why we learn on a personal level about new opinions, different solutions, and make friends with like-minded women beyond our neighborhood looking to positivity impact women. Join this conference and you will experience what I am talking about!

Thank you again for the wonderful work you all are doing for Zonta. I wish you a fruitful conference.

Best regards
